DESTINATION

Lake Nona

Designated the first Smart and Connected City in the US by Cisco, Lake Nona is a vision of the future surrounded by natural beauty. Home to over 16,000 residents and some of the world's most innovative companies Lake Nona was designed to support and encourage a healthy lifestyle for its residents and visitors alike. Lake Nona Wave Hotel is envisioned as the Living Room of Lake Nona, connected to everything this thriving destination has to offer, from vibrant dining and entertainment to wellness and the technology of tomorrow.

WORK.

Lake Nona Wave Hotel includes over 12,000sqft of flexible event space enhanced by state-of-the-art audio visual equipment.

- › Offering a luxury boutique hotel experience by contrast to Orlando's many convention hotels
- › Designed with healthy meetings in mind, our daylight drenched meeting space has UV air filtration and superior sanitation
- › Creative food and beverage offerings curated to inspire and delight
- › Hybrid meetings powered by ultra-high speed wireless internet and Verizon 5G
- › Easily accessible to Orlando International Airport, just 5 minutes away

DINE.

A dining destination like no other, Lake Nona has a multitude of dining options to tempt and delight groups.

- › Lake Nona Wave Hotel features two destination dining concepts both available for groups
- › Boxi Park – open-air dining and entertainment venue crafted from shipping containers
- › Park Pizza and Brewing Company – group pizza making or beer tasting experiences
- › Chroma – a modern dining experience with elegant private dining
- › Canvas – lake-side dining with expansive outdoor deck
- › Town Center Plaza – craft a unique dining experience of your own among our forest of palms

PLAY.

Connection between colleague and clients has never been more important. Enhance programs with convenient amenities right here in Lake Nona.

- › Lake Nona Performance Club featuring
 - ROX Climbing Zone
 - Group Cycling Studio
 - Human Performance Diagnostics
- › Chopra Mind-Body Zone and Spa
