A UNIQUE MEETING SPACE

Few others can offer a backdrop of extraordinary history and grandeur like Carton House. A unique Palladian Manor House turned resort hotel, Carton is set on 1,100 private acres of sweeping Kildare parkland. It was the stage for many defining moments in Irish political and social history and is no stranger to important and decisive meetings.

Carton features some of the most gracious and opulent meeting spaces. There is an unbroken tradition of service here that dates back three centuries, and there is much more to discover. Visitors can enjoy two world-class golf courses, one of which was three-time host to the Irish Open, as well as the luxurious Carton House Spa & Wellness facility. Furthermore, The Carriage House our gastropub and The Linden Tree, our fine dining restaurant both offer exceptional dining experiences.

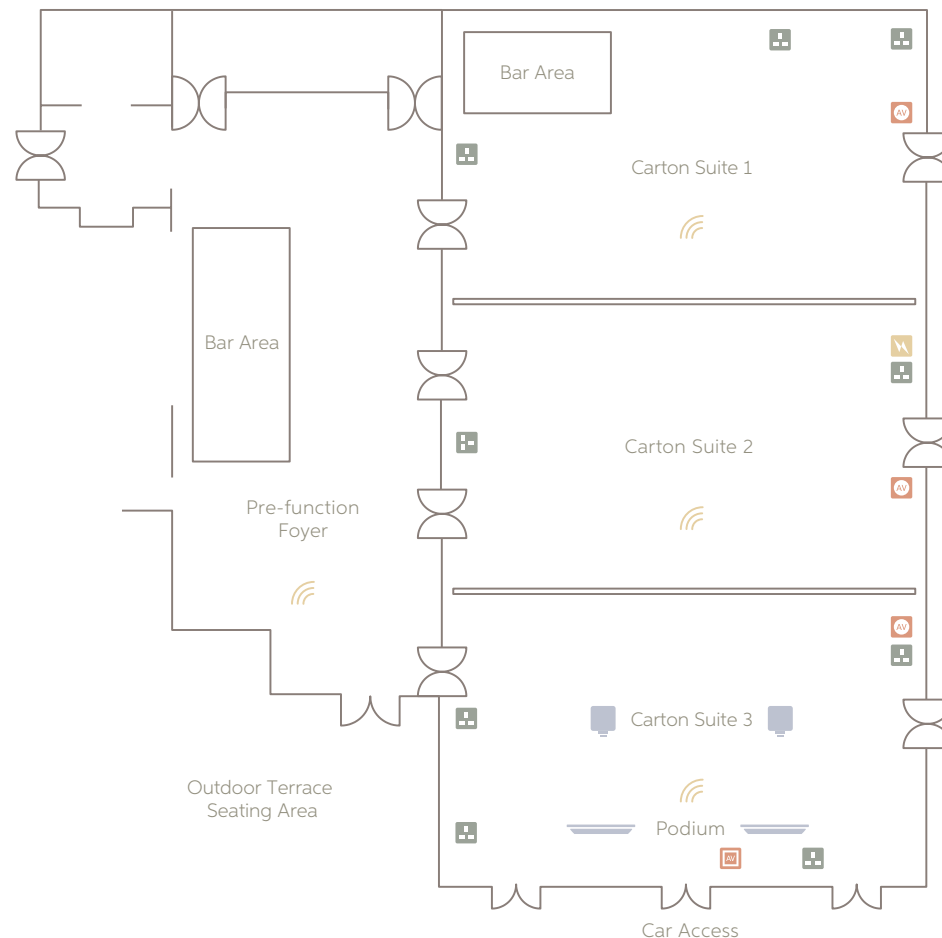

CARTON SUITE

The Carton Suite is a contemporary meeting space that seamlessly reflects the grandeur of the estate. It has been designed with fluidity of purpose in mind. This very special space combines new thinking and design with a refined and luxurious aesthetic.

The suite can be divided into three for smaller gatherings, or used as one large, open and inclusive space. Large international conferences, exhibitions, car launches, training events, sports teams gatherings - the Carton Suite has experienced it all and more.

Enjoy ample natural light and refreshing breaks out on the manicured lawn. Later, the Carton Suite can become a sophisticated venue for a gala dinner or a shimmering ballroom for up to 360 dinner guests.

TO EVERYWHERE, CARTON IS NEAR

Carton feels a world away, yet incredibly it is only 14 miles from Dublin's bustling city centre, and 25 minutes from Dublin International Airport. Dublin is a compact and dynamic city, which effortlessly blends culture and commerce, history, wit and charm. Walkable, stylish and trendy, this is a small city with personality and a generous spirit of welcome.

Travelling by car?

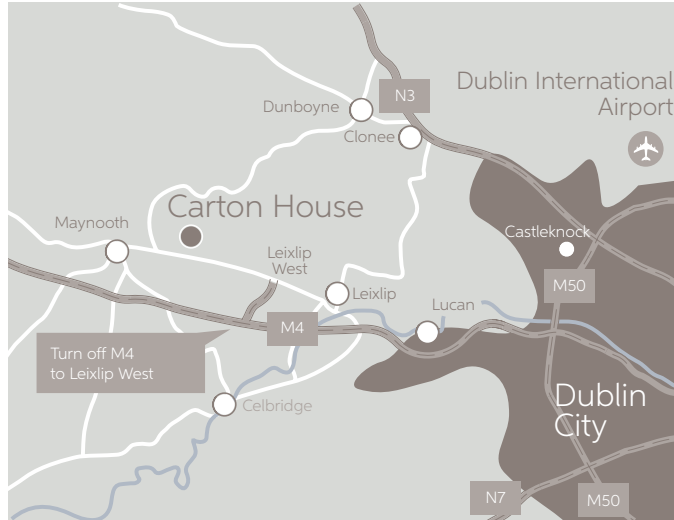

From Dublin, take the N4 motorway westbound turning off on the Leixlip/Celbridge exit. Then simply follow the signs to Carton House – it's only 5 minutes drive from the exit.

Travelling by train?

Look for Maynooth station on the Western Suburban railway line. It's a short 40-minute train journey from Dublin and then just a 5-minute taxi ride from Maynooth station to Carton House.

Travelling by air?

Dublin International Airport serves all major European and international destinations. For onward travel by car, follow signs to the M1, M50, then the N4. Or we can recommend taxi and chauffeur services. For executive travellers arriving at Weston Airport, the N4 is close by and very convenient. Arrangements can also be made to land at Carton House by helicopter. We are happy to assist.
