ABOUT 21c MUSEUM HOTELS

21c is a multi-venue museum located in nine cities, with the newest being here in Chicago having opened in February of 2020. One of the largest contemporary art museums in the U.S., and North America's only collecting museum dedicated solely to art of the 21st century, each property features exhibition space open free of charge to the public, combined with a boutique hotel and chef-driven restaurant. It was founded in 2006 by Laura Lee Brown and Steve Wilson; philanthropists, preservationists, and collectors, committed to expanding access to contemporary art as a means of catalyzing revitalization and civic connection.
