

DID YOU KNOW?

Discover Sofitel Los Angeles at Beverly Hills initiatives for the community and the environment!

BUILDING

AccorHotels works every day to achieve its ambition in terms of sustainable development: to work, through its 160,000 employees, millions of clients and thousands of suppliers and partners, to preserve the planet and the well-being of its inhabitant. Sofitel Los Angeles at Beverly Hills is proud to be at the Platinum level, competing 95% of the criteria.

FOOD

ORCA

The City of Los Angeles Green Business Program (**LAGBP**) is a free and voluntary assistance program, launched in 2014, is aimed at increasing energy and water efficiency, generating cost-savings, reducing waste, and creating a healthier environment for Angelenos. Esterel Restaurant and Riviera 31 are certified since 2015. The Hotel is currently enrolled in a Food Waste Recycling Program with **Athens Service** to collect and compost all food materials and process them into nutrient rich compost for agricultural end users. Sofitel Los Angeles at Beverly Hills also owns an **ORCA** machine, that transforms organic food waste into liquid, avoiding accumulation of food waste laying to the landfills. The process also restricts collection of food waste made by trucks.

COMMUNITY

HOUSE of HOPE

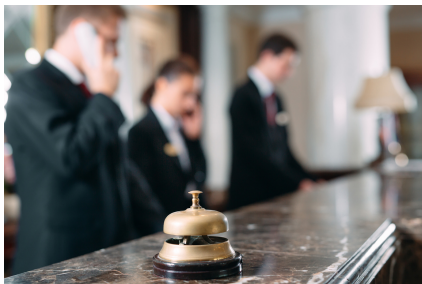

Sofitel Los Angeles at Beverly Hills is recycling all partially used shampoos, shower gels, conditioners and body lotions from guests' rooms and is officially participating in soap recycling program, working with **Global Soap Project**.

Housekeeping gives away all hotel old mattresses which are still in good condition, to the Homeless shelter: **House of Hope**.

All ambassadors are once a year invited to donate non perishable food to **LA food bank** for hungry people (canned protein, peanut butter & jelly, canned fruits & vegetables, fruit juices, staples such as beans, rice, pasta).

PEOPLE

The **Green Key** award is the leading standard for excellence in the field of environmental responsibility and sustainable operation within the tourism industry. Sofitel Los Angeles at Beverly Hills is proud to have 4 keys and be an example of sustainability and luxury.

GUESTS

GREEN LEADERS

GreenLeaders label has been given to Sofitel Los Angeles at Beverly Hills by TripAdvisor. Sofitel Los Angeles at Beverly Hills has eliminated single use plastic from our Guest Experience. For every group and event, the sales department is sending an invite for the organizer to calculate their carbon foot print. After doing the calculation, the group is given the opportunity to choose a non-profit provided by Accor which is proven to directly offset the carbon footprint of the meeting or group.

PARTNERS

HACCP International is a leading food science organization specializing in the HACCP food safety methodology and its application within food and related industries. Esterel Restaurant, and Riviera 31 have been certified "A" since their opening. Sofitel Los Angeles at Beverly Hills has partnered with **American Red Cross** to organize and welcome blood drives and partnering with Cedars Sinai.
