### **Teneo Hospitality Group Gives Back to Children in Need**

**Eden Prairie, MN** – (July 22, 2016) Teneo Hospitality Group ([www.teneohg.com](http://www.teneohg.com)), a global sales organization representing over 300 member hotels, resorts and DMCs, hosted three events in Chicago, Minneapolis and Kansas City this week.

Teneo's Midwest team provided a forum for their hotel and DMC members to network with meeting planning professionals. As an added benefit, each attendee had the opportunity to provide disadvantaged youths with a charitable contribution, benefiting the Special Olympics, St. Joseph's Home for Children and Operation Breakthrough.

Each attendee received a backpack to fill with various school supplies. Teneo, with the help of its members and clients, was able to donate close to 300 backpacks to three local charities, just in time for Back-to-School. As a thank you, participating attendees also received a TOMS gift card. For every gift card that Teneo purchases, TOMS helps a person in need through their One for One® program.

Teneo continues to make a difference in various communities as they incorporate a charitable contribution element in every one of the 20 networking events they host annually throughout the United States and Mexico.

"I'm truly impressed by the amount of support and enthusiasm we've received from our clients and members," states Teneo President, Darrell Tamosuinas. "Our team continually builds strong relationships which have been strengthened by this joint effort to give back to the communities in which we do business."
